

MASTERMIND CONTRACTORS (PTY) LTD

COMPANY PROFILE

www.mastermindcontractors.co.za

INTRODUCTION

Mastermind Contractors (Pty) Ltd, a privately owned mining and construction company, conducts its business in Mpumalanga, Gauteng & KwaZulu-Natal within the opencast mining operations. The company was established by Ms Masuku in 2022. The company comprises a team of over 50 employees, with strong technical and operational experience in providing mining support services for coal deposits and mechanical support.

Mastermind Contractors is dedicated to providing mineral support services, including: Monitoring and Sampling of Coal, Weighbridge Services, Stockyard Management & Maintenance, Fencing, and plant hire in opencast mines and construction sites.

OUR SERVICES

- **Monitoring & Sampling**

Monitoring ROM coal from the mine and sampling as per coal quality management procedure.

- **Stockyard Management**

We supervise each stockpile, manage and report all related stockyard activities at the mine.

- **Weighbridge Services**

Truck-by-truck monitoring and submission of truck logistics reports, weigh-bill slips and checklists as per frequency .

- **Fencing**

We supply and install steel-based security fences (razor wire mesh). We are CIDB SQ level 3 accredited.

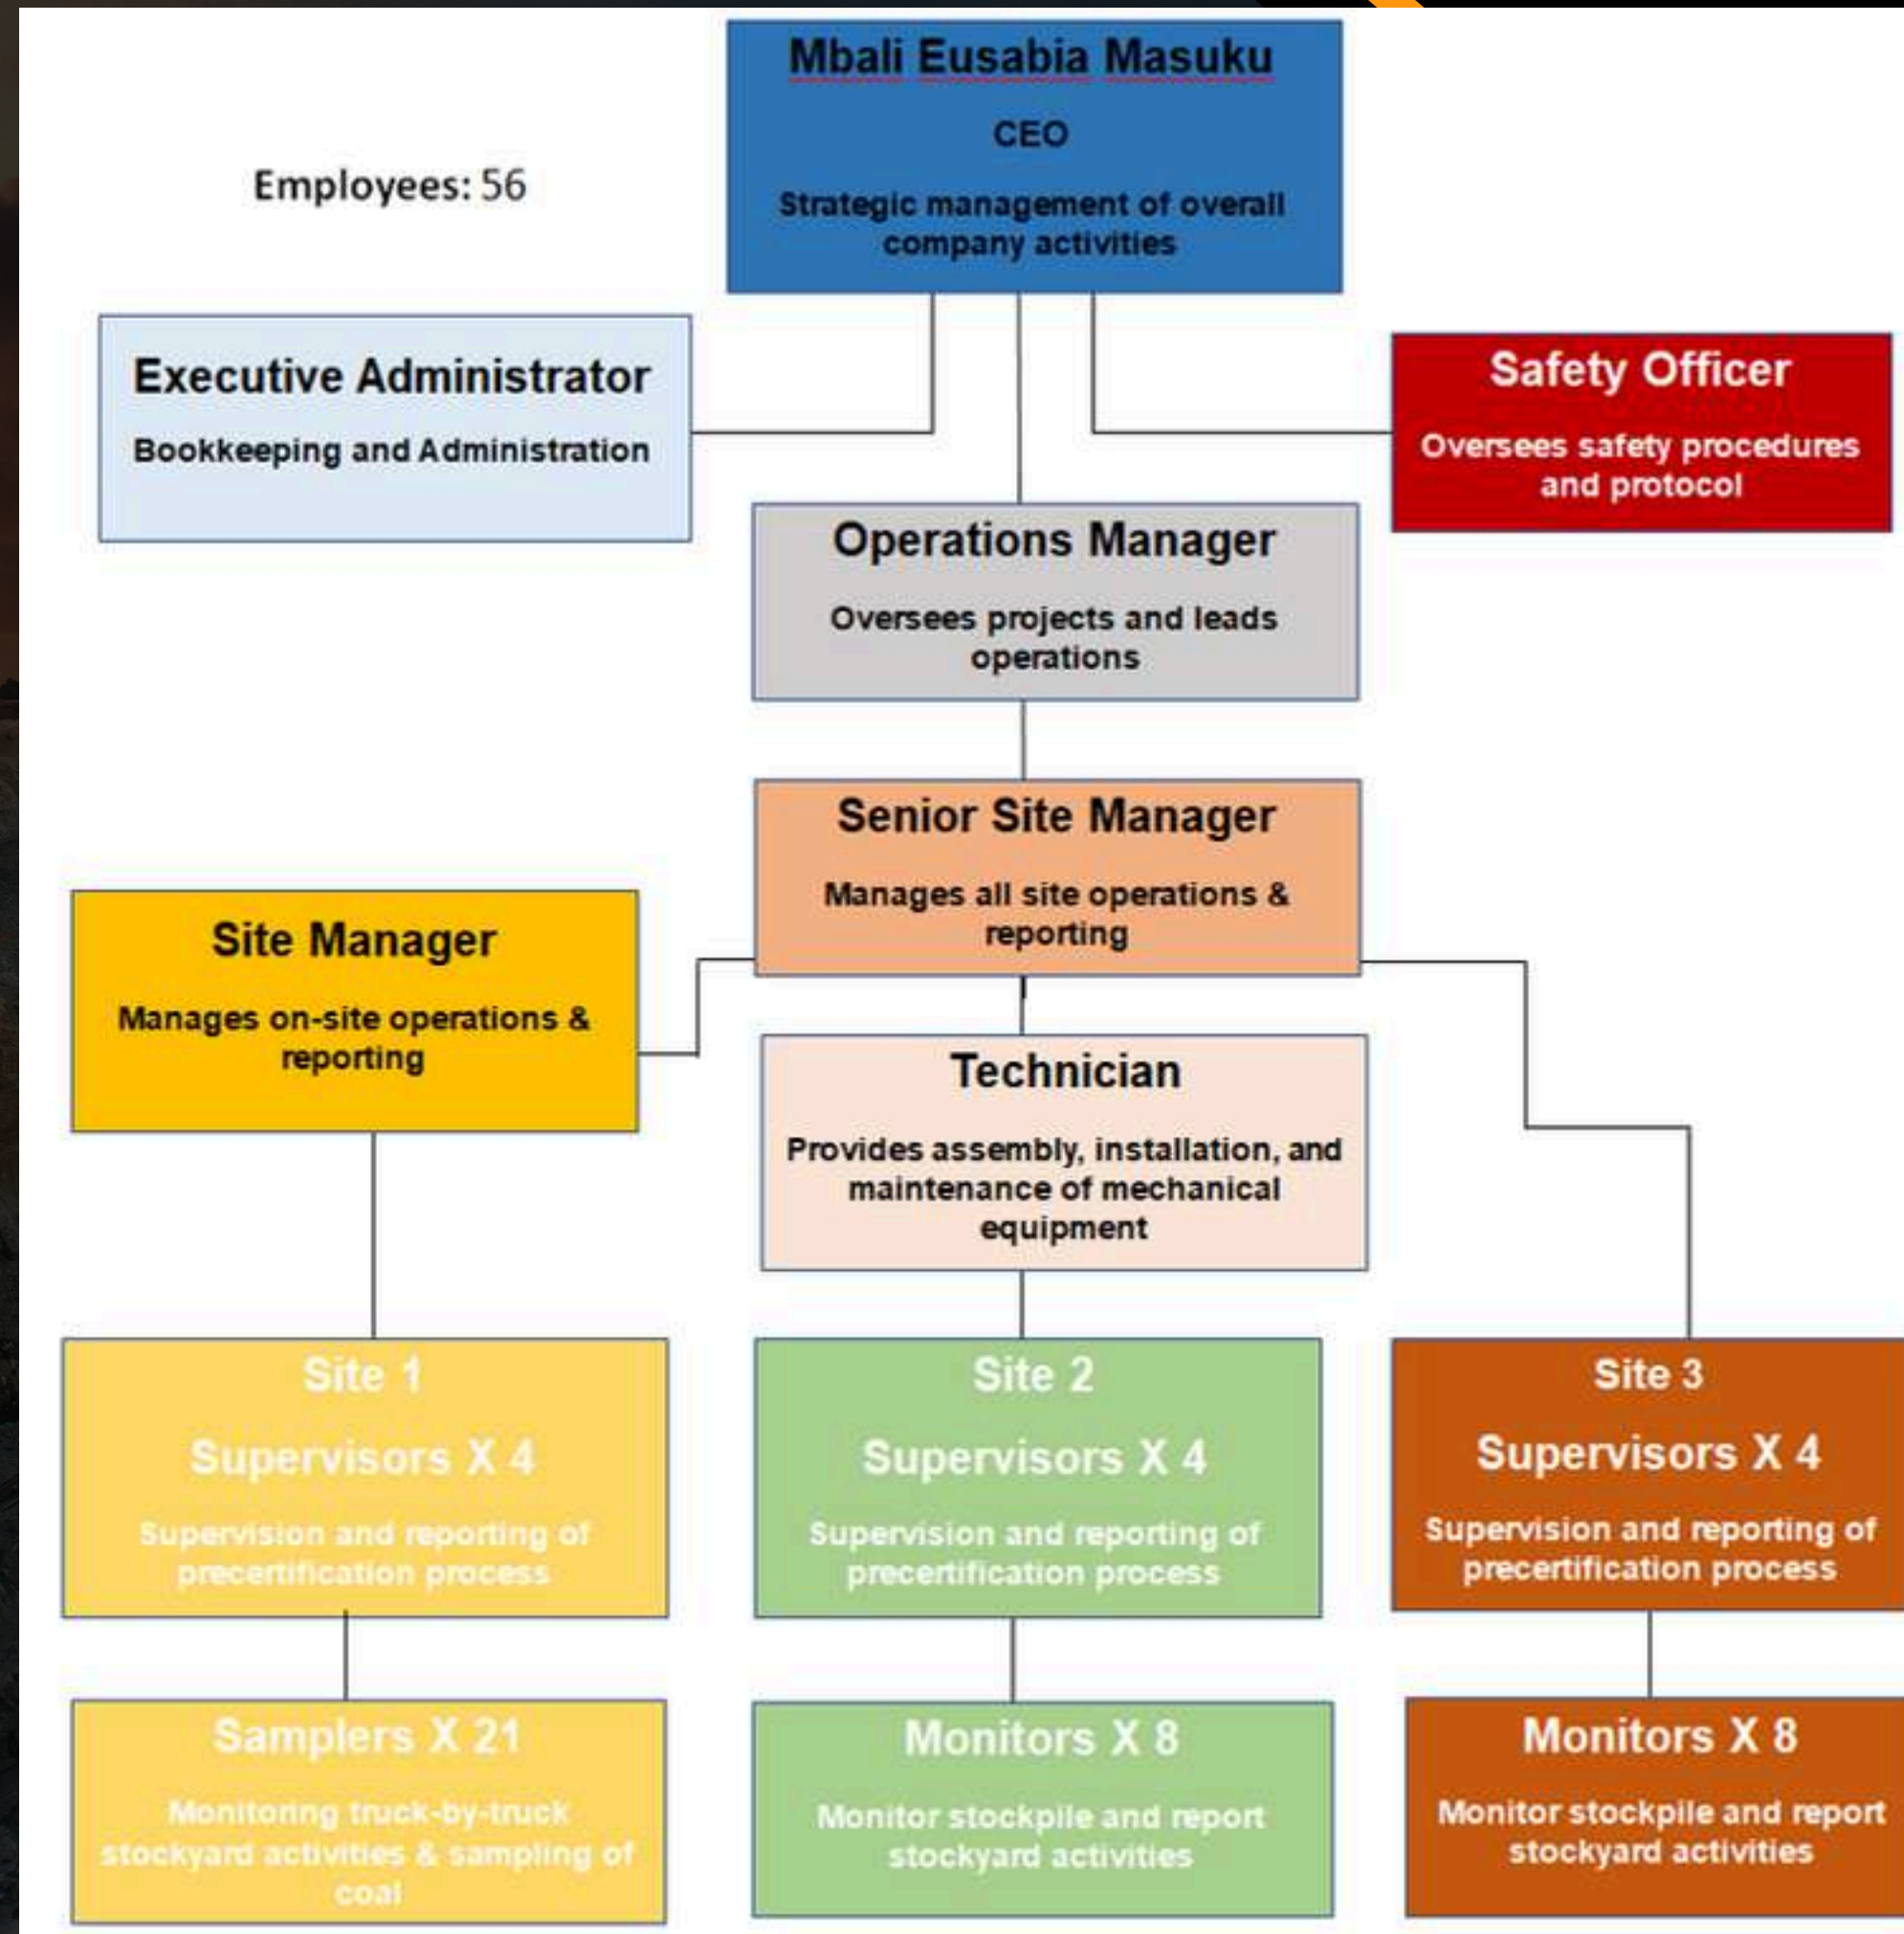

- **Maintenance**

We do inspection, repair, and servicing of heavy machinery and static equipment; Conveyor systems, Crushers, grinding mills, and compressors to ensure efficiency, safety, and reliability.

- **Plant Hire**

We hire out yellow plants to mines.
